I hope this calendar serves as a useful tool for you and your family to keep track of District and school events, including Board of Education meetings, open houses, concerts and more.

During the course of the school year, our District website at www.pittsfordschools.org will highlight some of these activities and provide essential updated information as well as links to each school’s website. Please use our website and online calendars for the most up to date information and to check for any changes that may occur.

Thank you for your continued support of our schools. I look forward to a joyful and productive school year and hope to see you at some of the events listed in this calendar.

Sincerely,

Michael Pero
Superintendent of Schools

Welcome

Your Pittsford Central School District Board of Education cordially invites you to attend board meetings and to take an active role in the education affairs of our community.

The decisions of your elected Board of Education affect your child, your tax rate, and the well being of your community. The Board urges your participation in such important matters.

There are many ways for you to participate in your schools. Some of these are:

- Keep informed and interested in your schools.
- Express your views by letter or in person to the Board.
- Elect the best-qualified board members.
- Participate in school and District activities and organizations.

Structure

The Board of Education is the official policymaking body of the school district. It is comprised of seven District residents who are elected to three-year terms by District voters at the annual District election. This is an unpaid, elected position.

Participation in Meetings and Communicating with the Board of Education

The Board of Education welcomes your comments, concerns, and questions. The meeting agenda provides for one Public Comment period. In addition, residents may also write, call or email Board members and District personnel directly regarding any issue of concern. The Board of Education encourages residents to address their concerns initially with the employee closest to the issue. This process typically brings the swiftest and most satisfying results.

When a resident communicates with an individual Board member, that information is shared with the rest of the Board and the Superintendent of Schools.

District Annual Vote on Budget and Election of School Board Members

May 16, 2023

District residents vote on the school budget, propositions and Board of Education candidates at the District’s annual election. This year’s voting date is set for Tuesday, May 16 from 7am to 9pm at Barker Road Middle School, 75 Barker Road.

Qualifications for a School District Voter

Qualified voters must present valid identification in the form of a driver’s license, non-driver identification card, utility bill, or voter registration card and be a citizen of the United States, at least eighteen years of age and a resident of the school district for at least thirty days prior to election.

Nomination Procedure for Candidates for the Board of Education

Candidates for the Board of Education are nominated by petition. This petition may be obtained at the administration building from the School District Clerk. It must comply with the current regulations for the total number of signatures and addresses of District residents. Deadline for submission to the school district clerk for the 2023 application is April 17, 2023 at 5pm, Administration Offices, 75 Barker Road – East Wing.

Welcome to the 2022-2023 school year! As leaders of our Pittsford PTSA, we look forward to providing our community of students, teachers, and families with a space to come together through valuable high-quality programs and volunteer opportunities. PTSA is pleased to offer a wide variety of fun and engaging activities across all our schools including, but not limited to, Art Ambassador, Elementary After School Enrichment programs, cultural arts programming, visiting authors, fun nights, spirit wear, book fairs, honor graduate awards, parent educational programs and many other social events. Most important, our goal is to provide opportunities for students and families to connect, to build and strengthen our school community and to feel heard and valued in an inclusive, respectful environment. As an organization, we take pride in representing and advocating for all students and their families.

The ability to support all students depends on the hard work of our volunteers. Please know your voice, time, and membership in PTSA are greatly appreciated. From volunteering one hour of your time at a social event, to attending meetings, to managing programs or signing up for a leadership role, the wide variety of volunteer opportunities available through PTSA will allow you to meet others, improve the educational experience of your child(ren), learn about the programs your child(ren) participate in, and have a voice in their future in Pittsford Schools and beyond. Any amount of time spent as a PTSA volunteer has a huge impact on our students. For more information on membership and how to become involved, visit our website: www.pittsfordptsa.net.

Thank you for your continued support of Pittsford PTSA. We look forward to another successful school year!

FAQ

What is the purpose of the Pittsford Education Foundation?
The Foundation's purpose is to establish sustainable funding beyond what the government can provide in support of the Pittsford Central School District's (PCSD) children, families, and educators in their pursuit of educational distinction and development.

Who is involved in directing the Foundation?
It is managed and directed by a private volunteer board of community members representing many aspects of the area's business, cultural and educational leadership.

Is PCSD administration involved?
The PCSD Superintendent and Chief Information Officer serve as ex-officio members of the Foundation board.

What type of initiatives does the Foundation fund?
The Foundation invests in initiatives focused on ensuring equitable student experiences, staff support efforts, and capital/facility-based projects. However, the Foundation is not limited to the above areas and looks to address the immediate priorities of the District.

Who decides the projects and programs the Foundation will fund?
The Foundation partners with District leadership to identify top educational priorities and subsequently invests in initiatives focused on ensuring equitable student experiences, staff support efforts, and capital/facility-based projects.

Why do we need the Pittsford Education Foundation?
Foundations in support of public education are a growing occurrence throughout the country. The cost of education is increasing at a rate that exceeds the district’s ability to match through its budget, which is constrained by State legislation and aid. At the same time, the needs and expectations of today’s students have changed considerably—it is essential they have personalization, more relevant and authentic experiences, and acquire the skills to succeed in their academic and professional journey.

The right resources and technology are required to address these changes and ensure the success of our students, staff, and faculty. Lack of funding leaves a resource gap that neglects the future of Pittsford students—a gap that only community and philanthropic support can close.

Mission
Founded in 1992, Pittsford Education Foundation (PEF) is a nonprofit foundation dedicated to establishing sustainable funding beyond what the government can provide in support of the Pittsford Central School District’s (PCSD) children, families, and educators in their pursuit of educational distinction and development.

Vision
Pittsford Education Foundation will increase financial resources supporting the District in addressing the most critical strategic educational initiatives that face the children in our community. The Foundation board is proud to engage our community as ambassadors—working to improve our schools and prepare our students for the world.

PEF commitment is inclusive—ensuring all students in the PCSD have equitable access to exceptional educational opportunities.

Supporting Youth. Strengthening Families.
For over 50 years, Pittsford Youth Services has been the respected leader in providing social work services and counseling to the youth and families of Pittsford. PYS was founded in 1969 by a group of local churches and was legally incorporated in 1987 as a nonprofit human services agency. We are committed to enhancing the quality of life of our youth, whether they are burdened by academic, social or emotional issues, thereby helping them to become successful, contributing citizens of our community. The support PYS offers to youth and their families directly impacts a child’s overall health and likelihood of success in school and in life.

Our Mission
Pittsford Youth Services, Inc. (PYS) is dedicated to providing youth and their families with confidential, professional and affordable social work services in the schools and Pittsford community. PYS strives to enhance social and emotional well-being through counseling, advocacy, educational programs and informational services.

Our Vision
Pittsford Youth Services will seek to build a community where every child feels valued and empowered. To that end, PYS will be the respected leader and provider of professional social work services for Pittsford youth and their families.

Eligibility: Any youth, ages 5-21 and their families, who live, work, attend school or worship in the town of Pittsford.

How to Access Services
Cost: Services in the schools for youth are free. Additional counseling services are available at our offices on 4 South Main Street in the Phoenix Building in the Village at a cost of $60/hr. A sliding scale is utilized in working with families who may have limited resources, and services are never denied based upon inability to pay.

Contact: Anyone can make a referral to PYS or request services. Parents may contact their child’s teacher, school counselor or the PYS office directly to arrange services. Appointments at the PYS office are available during the day, some evenings and as arranged directly with the social worker.

PYS is proud to be the provider of professional social work services for the Pittsford schools, St. Louis School and at our offices in the Village of Pittsford. All PYS social work staff are New York State Licensed Master's Level Social Workers (LMSW) or Licensed Clinical Social Workers (LCSW).

For more information or to learn how you can help, call (585) 264-0604 or visit our website: www.pittsfordyouthservices.org.
Special Education Services

The District Special Education Department is committed to a partnership with parents, families and school district personnel in the education of children. Questions about services can be directed to the Director of Special Education, at 267-1014.

The mission of the Special Education Department is to support diverse learners and to foster an inclusive culture within our schools and community. Through a network of supports, students with disabilities are empowered to identify, pursue, and fulfill their personal aspirations as they participate in our global society.

What is special education?
Special Education services are specially designed individualized or group instruction, special services, or programs to meet the unique needs of students with disabilities. Special Education programs and services are provided for eligible students, ages 3-21, without cost to the parent.

What is the process to access services in Pittsford?
If a parent, teacher, or other person knowledgeable about a student believes that the student has a disability, they can contact the Special Education office at 267-1014 or the Student Services Teacher at each school building. Contact information can be found on the Special Education department page of the District website at www.pittsfordschools.org.

What is the Committee on Special Education?
The Committee on Special Education (CSE), with parental consent, arranges for the evaluation of students thought to have a disability. If the student is eligible for special education services or programs, an IEP (Individualized Education Program) is developed, services are provided, and reviewed at least annually.

What other services are available through the Special Education Office?
TIES – Together Including Every Student provides trained high school and middle school volunteers to support Pittsford students with disabilities in adult-sponsored after school activities. For information, call Dale Cameron-Kody, Pittsford TIES Coordinator at 267-3343.

Pittsford SEPTA
Special Education PTA

Since its launch in October of 2021, the Pittsford SEPTA has received an incredible amount of support throughout our district community and beyond. Our #1 goal in creating SEPTA was to support the parents and caregivers of students who receive special education services or have a 504 plan. We believe that the best way to do this is to create a strong committee of like-minded individuals who collaborate creatively to provide resources, support and information for all stakeholders.

Pittsford SEPTA (Special Education PTA) is a district-wide committee within the PTSA of Pittsford Central School District. SEPTA exists for the benefit of students whose needs and requirements are outside the general education domain. As a committee, we seek to inform, support, and advocate for the unique and diverse learning needs of our students. Our hope is that children receiving special education services will be better understood, integrated, and embraced by their schools and communities.

We host parent information workshops each month to address specific areas as requested by our members! Some of our most impactful contributions this year have been in the form of our monthly meetings, newsletters, and an ongoing Parent/Caregiver Support Group facilitated by Pittsford Youth Services.

Goals and Objectives:
• To be a positive and solution-oriented group, serving as a resource to families of children with diverse learning needs from preschool through their transition from high school.
• To provide education, resources and support to parents and the broader community regarding Special Education issues and services
• To collaborate with the Pittsford Central School District on relevant issues pertaining to Special Education Services, and to amplify the voices of students with IEPs or 504 plans, as well as their parents and caregivers.
• To provide support, information, and encouragement in order to ensure that the educational, social, and emotional needs of our students and their families are met.

As individuals with diverse learning needs and the parents and caregivers who love and support them, our journeys are often very different. We aim to make sure that all students and their families feel a sense of belonging here in PCD.

Feeding our students healthy lunches!
The Food Services Department looks forward to serving our students nutritious and delicious meals again this upcoming school year. With a wide variety of options, including seasonal fruits and vegetables, the District ensures students can get a healthy meal at an affordable price.

Let’s do Lunch
Lunches will be offered for $4.00 at the elementary level and for $4.25 at the secondary level. Monthly menus are available on the District website, www.pittsfordschools.org, on the Food Services Department page.

A lunch consists of an entrée and a choice of two sides.

Payment Options
MySchoolBucks.com
• This system allows you to place money on your student’s account from your credit card, debit account or checking account
• A service charge, which does not go to the District, is administered per transaction
• The Food Services Department encourages parents and guardians to add funds in larger increments to avoid multiple service charges from MySchoolBucks
• With this system, it is also possible to set up a payment schedule where funds can be automatically added when a certain balance is reached or on a specific day

Checks
• Please make checks payable to Pittsford Food Service and send to 100 Mendon Center Road, Pittsford, NY 14534
• A minimum amount required for a check deposit is $10
• A $15 fee will be assessed for all refunds and any checks returned for insufficient funds

We won’t let students go hungry if there is a zero balance in their account. If students forget their money, they will be allowed to charge one meal. Charges should be paid off the following day.

**A Sampling of Cultural and Religious Holidays**

As part of the Pittsford Central School District’s Religious Observance policy, this cultural and religious holiday sampling has been included in this District calendar. The purpose of noting these days is to assist staff, students and community members in their awareness and understanding of the various religions in the Pittsford community.

Please note that: 1) all Jewish and Baha’i holidays begin at sundown the previous day; 2) Hindu and Jain holidays are calculated on a lunar calendar and, therefore, are observed at different times in different regions of the country; 3) some religions have different sects which may celebrate religious holidays on different dates, for varying lengths of times.

We have worked hard to ensure as accurate a representation of the religions of our community as possible. This calendar is not intended to include all religious holidays. Sources for the descriptions were local community members, the Pittsford Religious Observance Advisory Council and [www.interfaithcalendar.org](http://www.interfaithcalendar.org).

Emergency Closings and Snow Day Information

Emergency Closings
We often receive questions from parents and students regarding the process used in making determinations about school closings. Schools are dismissed early or closed due to inclement weather, or other emergencies, only when absolutely necessary for the safety and welfare of students and staff.

The Pittsford Central School District resides in a snow-belt and most storms can be managed effectively. For this reason, please assume school will be open and encourage students to be prepared for their next day’s studies.

We understand that a decision to open or close in bad weather will have an impact on our families. We consider many factors while making these decisions, including:

• Current and projected weather conditions.
• Road patrols by the Town and District that report the condition of local roads, sidewalks and parking lots, taking into account snow and ice, as well as other hazards such as downed trees or power lines. These reports also provide an assessment of the progress of snow clearing.
• The District also communicates with local districts about the road conditions in surrounding areas.
• Temperature and wind chill factors. Monroe County Health Department recommends that we consider closing schools if the wind chill is expected to fall between -25 and -40 degrees.

When it is necessary to close or dismiss schools for any emergency, including inclement weather, announcements are made on local radio and television broadcasts by 6:30 a.m. The information is communicated to parents through the Blackboard® notification system and the District’s website at www.pittsfordschools.org.

When school is closed for the day or dismissed early, all evening school activities will be cancelled, including athletic practices and contests, club meetings, continuing education classes, and any other student after-school activities. The only exception would be a major district-wide event, such as a concert involving hundreds of students, which could be held if the weather clears sufficiently.

Provisions made by the school district during early dismissal due to an emergency include:

1. Decision for the release of students to walk home or for intermediate-level students to walk with primary students will be made by the school principal.
2. Schools will be supervised by staff until all students have departed school grounds.
3. The District is equipped to provide for students in the event it is necessary to keep them in school for several hours or overnight. This information will be reported on radio, television, web site, and through the Blackboard® notification system.

Guidelines for parents in the event of an early dismissal:

1. Special circumstances in the home (working parents, baby-sitter directions, etc.) should be reported in writing to the classroom teacher at the beginning of the school year. Children should know where to go in the neighborhood in the event no one is at their house.
2. Please do NOT call the schools. Phone lines must remain open for emergency calls only.
3. Do NOT drive to the school during inclement weather or a school-closing emergency. School driveways must be kept clear to allow access by school buses and emergency vehicles.
4. Students normally using school bus transportation will be released to their parents only after being properly signed out at the school office. Children will NOT be allowed to leave with other persons without a written release from parents.

Dear Students,
We both know how hard you work in school and that every now and then, you deserve a little break. How lucky that we live in a Snowbelt and have Mother Nature on our side. Just between us, if you follow these rules, the chances of us having a snow day just might increase:

• Put your PJs on inside out and backwards
• Place an ice cube in the toilet and flush (one for each inch of snow you want)
• Yell “Snow Day!” into the freezer
• Put a penny under your pillow
• Put a spoon under your bed
• Wear a colored sock on your left foot, but not your right
• Do a snow dance with your PJs on (backwards and inside out)! Gather up your friends for a stronger force

A snow day is a fun day to spend outside playing, so make sure you finish your homework the night before so you can enjoy the whole day in the snow!

Follow these tips and we might just have a fun snow day in the future.

Consent for use of Photographs/Videos
Throughout the school year, photographs or videotapes may be taken of students for use in district-produced publications, digital communication, including social media, and videos or by the news media. Please consult the Board of Education policies on the website for more information and instructions for opting your child out.

Access to Student Records
Parents/guardians of students have the right to inspect and review official educational records directly related to their children. Copies of records may be obtained from the school principal at cost.

If parents believe that any record is incorrect or misleading, they have the right to an opportunity for a hearing to challenge the contents.

As part of the Every Student Succeeds Act, military recruiters and institutions of higher education now have access to secondary student names, addresses and telephone numbers. Student directory information, including name, address, phone number, birthday, etc. are available under the Family Educational Rights and Privacy Act (FERPA).

A high school student or parent may ask that the District not release such information without prior written parental consent. If you would like to participate in this option please contact the Student Services office at 267-1023.

Complaint Resolution Process for Every Student Succeeds Act (ESSA) Funded Programs
The New York State Department of Education (NYSED) has a complaint resolution process for Every Student Succeeds Act (ESSA) Funded Programs. To access the process outlined by NYSED to file complaints and allow for the timely resolution of such complaints, visit www.nysed.gov/essa/new-york-state-essa-funded-programs-complaint-procedures. The procedures meet the requirements of ESSA Section 8304(a)(3)(C) and 34 CFR Part 299, Subpart F – Complaint Procedures.

Parental Right to Request and Review Information Regarding Teacher Qualifications
As a parent/guardian of a student in the Pittsford Central School District, you have the right to request the following information:

- Whether the teacher has met New York State qualifications and licensing criteria for the grade levels and subject areas he or she teaches
- Whether the teacher is teaching under emergency or other provisional status through which the State qualification or licensing criteria have been waived
- The teacher’s college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees

Requests for information about the qualifications of your child’s teacher(s) can be directed to Shawn Clark, Assistant Superintendent for Human Resources at 267-1008. All requests will be honored in a timely manner.

Asbestos Compliance
The federal law AHERA, enacted in 1987, requires all school districts to inspect and develop a management plan for asbestos found in their school buildings.

PCSD is in compliance with these requirements.

PCSD facilities are inspected every six months to remain in federal and state compliance. These inspections help provide an environment that is clean and free from asbestos hazards. Other activities, which include the training of the maintenance staff to increase their awareness of asbestos and prevent disturbance while making daily surveillance checks, ensure a safer environment for staff and students.

Details of all asbestos activities are described in the district’s AHERA management plan, which is available for review in the District Maintenance Building at 100 Mendon Center Road.

Legislation Regarding Religious Exemptions for Vaccines
New York State legislation (Public Health Law 2164) has eliminated religious, non-medical exemptions from school vaccination requirements, effective June 13, 2019. The revised law specifies that children in a public, private or parochial school, without a medical exemption, must receive the required immunizations to attend or remain in school. The District will be required to exclude a child from school if these provisions are not in place.

Notification of Pesticide Use
All public and non-public schools are required to inform parents/guardians, faculties, and staff of a New York State Education law regarding notification of pesticide use in school buildings and on school grounds during the school year. There are three communication requirements under this law:

1. Notification each fall providing information on the law and its requirements.

2. Notification 48 hours prior to certain pesticide applications at your school building. The following pesticide applications are not subject to prior notification requirements:
   - a school remains unoccupied for a continuous 72 hours following an application
   - anti-micro products
   - non-volatile rodenticides in tamper resistant bait stations in areas inaccessible to children
   - silica gels and other non-volatile ready-to-use paste, foams, or gels in areas inaccessible to children
   - boric acid and disodium octaborate tetrahydrate
   - the application of EPA designated biosticides
   - the application of EPA designated exempt materials under 40CFR152.25
   - the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets

3. Notification in December, April and June, if other applications have occurred.

Currently, Pittsford Central Schools does not regularly apply pesticides at any of its buildings or building sites. Prevention practices have been the preferred method of control. Any pesticide applications that may be made will be in response to a particular need at a building and would be applied by a certified pesticide control technician.

If you have any questions, please call Jeff Beardsley, Director of Operations, Maintenance & Security, at 267-1090.
