Points of Pride

Celebrating Student and Staff Success in the Olathe Public Schools
The success of our staff and students is something to be celebrated. Because of our incredible students, staff, families and community, we are one of the top school districts in the state of Kansas. As a district, our mission is to prepare students for their future. Every single day, Olathe Public Schools staff work hard to ensure students are engaged in learning. Along the way, our students, staff and system have earned several awards and accolades as a result of these efforts. As your very proud superintendent, I’d like to thank every single student and staff member for all they do to make Olathe Public Schools an amazing place to be.

Dr. Brent Yeager
Superintendent, Olathe Public Schools
