i gotta say, being able to chat with other admitted Aggies makes me even more excited about this college than I was before, esp since most other colleges just have IG accounts and FB groups where it's sometimes a little harder to interact with other ppl

Is it possible to request further financial aid, and if so how would I go about doing it?

UCD-FAS  05/02/2023 4:54 PM
Hi @Vish, a student's eligibility for aid is based on info submitted on the FAFSA or California Dream Act Application. An increase in eligibility would depend on a variety of personal factors and the best way to explore your specific situation is to contact us by phone or via Contact An Expert. In the meantime, you can look at a couple of areas online to better educate yourself and your family on these options. One is a Family Contribution appeal - to be submitted if your financial info differs from what was submitted on the FAFSA or CADAA, the other is a Cost of Attendance Appeal, which looks at additional costs and loan options to cover them. You can find info on both on our Appeals page: https://financialaid.ucdavis.edu/forms/undergraduate

@Vish be sure to review scholarship options. Every new student is considered automatically for need-based scholarships but there are many outside and prestigious scholarships that are merit-based and open to all: https://financialaid.ucdavis.edu/scholarships
