Miami alumnus Rick McVey '81 ensures expansion of Miami's transdisciplinary data science program with a \$20 million gift to fund visionary new building

Miami University has announced a \$20 million gift from Rick McVey '81 which will fund a construction of a new data science building on Miami's Oxford campus.

Miami University Division of University Advancement Diversity, Equity, and Inclusion (DEI) Statement

In alignment with Miami University's statement on Diversity and Inclusion, University Advancement announces commitment to diversity, equity and inclusion.

Emergency Needs Fund Supports Students

The definition of "normal" changed for the entire world when COVID-19 was defined as a pandemic. While it's uncertain what the new normal will look like, we need to remember President Greg Crawford's powerful message to Miamians: We are the Miami community, and we will work through this together. Join Miami in providing support for difficult days ahead by giving to the Emergency Needs Fund.

Those Who Will

David Koschik '79

David and his wife, Izumi Hara, established the David Koschik and Izumi Hara Academic Excellence and Leadership Development Program to expand STEM opportunities for first-year students. "We want to help ensure that in addition to recruiting diverse students, Miami has the resources needed to make sure they thrive here. The LEADS Institute is doing just that." – David Koschik '79
