

On behalf of Coca-Cola Bottling Canada Limited, we would like to thank Lethbridge College for their Kodiak Coke Cake initiative. It is initiatives such as this one that showcase to the local community Lethbridge College's desire and passion to engage the southern Alberta community in a fun and rewarding manner. From an external partnership perspective, these initiatives further solidify the level of relationship building Lethbridge College is willing to continue to build through innovative ideas such as the Kodiak Coke Cake event. It was exciting to see all the social media activity surrounding the event as well as the positive feedback our local Coca-Cola team received!

Bravo Lethbridge College!
