

## NECC & MASSRECONNECT

# GROW. ENGAGE. RETAIN.

Retention and employee growth is top of mind for managers today. Through MassReconnect, NECC provides the perfect opportunity for you to support your employees, grow the skills and capabilities of your team, and help your professional development dollars go further.

## WHAT WE OFFER:

- ▶ **IT'S FREE!** MassReconnect provides funding for eligible Massachusetts residents 25 and older to earn a college degree **at no cost.**
- ▶ **OPTIONS** NECC offers degrees in over 60 programs of study, including Business, Communications, Computer and Information Science, and more!
- ▶ **FLEXIBLE** NECC provides open enrollment with seven start times throughout the year, and convenient scheduling options (online, hybrid, and evening classes).
- ▶ **CUSTOMIZABLE** We'll help you develop a program to address your skills needs and identify the best resources to work for you.
- ▶ **SUPPORT** Your employees would have access to all of the academic support resources available to NECC students.

## WHAT YOU CAN DO:

- ▶ **COMMUNICATE** Encourage employee participation by spreading the word about our free market-driven educational opportunities.
- ▶ **NURTURE** Provide flex time and quiet study space for employees to do homework or participate in an online class.
- ▶ **EDUCATE** We're happy to facilitate a company info session for your employees with one of our MassReconnect specialists.
- ▶ **EVALUATE** Meet with our academic advisors and corporate education team to help identify skills, certificates, and degrees to help your employees' growth.
- ▶ **REALLOCATE** If your company offers tuition reimbursement, you can redirect those resources into other education programs, or incentive bonuses for employees who complete a NECC certificate or degree program.
